Add a fun and creative dimension to your next party, corporate team building or social event, with a painting workshop under the expert instruction of artist Elena Parashko. Elena is a trained teacher with over thirty years' experience, so she knows exactly how to guide even the complete beginner in creating their very own masterpiece. Comprehensive step by step instructions are provided with room for individual creativity and team interaction to flourish.

Elena supplies all art materials and brings the workshop to your home, office or party venue for a hassle-free experience. In approximately 2 hours, be amazed as your hidden creative talent emerges to complete a painting on a 30 x 40 cm canvas that you will be proud of. Elena creates a relaxed space to unwind, tap into inspiration, have lots of fun with friends or colleagues and feel good about yourself and your achievement.
